

## House of Delegates PDC Membership

Neither Wendall Walker nor Matt Farris have indicated a willingness to serve on our PDC Board.

Our Charter calls for rotating General Assembly membership every two years. Next in rotation would be James Edmunds, from the 60<sup>th</sup> District, who represents Brookneal and southern Campbell County as well as portions of Eastern Appomattox counties.

**Recommended Action:** The Commission may want to consider contacting Delegate Kathy Byron to see if she would be willing to serve again.

The Commission may want to re-think having General Assembly members on the Commission or rethinking the rotation of General Assembly members. It would require a charter change and a reformulation of the Commission membership to ensure a majority of elected officials.
